The Set-Apart Girl's Guide to Purpose and Fulfillment*

By Leslie Ludy

Chapter 4: The Modern Church and Singleness

Discussion Questions:

1. What is your experience in your church today regarding singleness? Do you feel “overlooked and disregarded”?
2. How can you hold up the books you read and the messages you hear to the Gospel so that you can know if they are filled with truth?
3. This statement, “The belief that remaining single is legitimate and godly is a work of the devil.” (p. 61) Have you ever fallen victim to believing this lie?
4. Do you feel like you perpetuate your singleness by choosing an independent, career-over-marriage-and-family lifestyle? How did Leslie’s message on page 62 speak to you?
5. What do you believe is God’s true design and purpose for marriage – self-gratification or self-sacrifice?

This Week's Prayer:

Lord, I this world, including the church, bombards me with messages that claim to be from you. Please give me wisdom to know when the messages I see and hear do not hold up to the Gospel. Help me to seek truth in all areas of my life including church. Please lead me to people and places where truth is taught. Help me, Lord, to seek your purposes above my own. Amen.
